Dear Patient:

On August 29, I will begin seeing patients at the PriMed Physicians office on Patterson Road. This office is located three miles from our current office. I sincerely hope you'll become acquainted with the location, allowing me the privilege of continuing to be your physician.

Since 1988, I've seen patients from the office on Woodman Drive. For several years, Dr. Kelly Schibler and I have shared this space. Recently, Dr. Schibler decided to pursue an opportunity to practice medicine in Hilton Head, South Carolina. My best wishes to Kelly and her family with the relocation. Her departure encouraged me to explore options for my practice.

I'm pleased to be joining the physicians at PriMed Patterson Woods. This is an active and successful group of family physicians, and I am fortunate to be welcomed into their practice. For your convenience, my office hours have been extended to include Saturday appointments.

During this transitional period, we continue to be committed to providing you with quality, comprehensive healthcare. Please contact our office at 937-254-6114, if you have questions.

Sincerely,
