

PriMed Physicians Endocrinology  
540 Lincoln Park Blvd., Suite 390  
Kettering, OH 45429

September 2017

Dear Patient:

For six years, I have had the pleasure of providing care at the PriMed Endocrinology office. Although I consider it a privilege to be your doctor, I have made the difficult decision to leave PriMed. I will be moving back to Cincinnati.

Dayton has been a wonderful place to live and work, but I have a stronger connection to friends and community in Cincinnati. After November 14, I will see patients at Mercy Health Deerfield Family Medicine & Specialists in Mason, Ohio.

**Your Ongoing Care**

Please talk with your primary care physician about your ongoing treatment. Based on your doctor's recommendation, it may not be necessary for you to continue seeing an endocrinologist. If you need to see an endocrinologist in the future, your doctor will make a referral. Although you are welcome to continue to be my patient at the Mason location, I understand that is a significant distance from Kettering.

If you have a visit already scheduled with me after October 27, the appointment is cancelled. (Although I will not be seeing patients at PriMed after this day, I will be available by phone until November 14.) Your medical records will remain with PriMed. To transfer you medical records, you must complete a form. This form is available from our office and on the PriMed website.

Once again, I have greatly enjoyed being your physician. If you have questions, please contact the office at 937-312-8150. Thank you for allowing me to have a role in your health.

Sincerely,

A handwritten signature in cursive script that reads "Lina Mitchell, MD".

Lina Mitchell, MD
