December 14, 2022

Dear Patient:

On behalf of PriMED Physicians, thank you for being a patient of our Vandalia office. Although it has been a challenging year, we are committed to continuing to serve you and the community.

As of December 30, 2022, Dr. Marsha Cooper will no longer be seeing patients at PriMED. We appreciate the services she provided, especially during a critical time when Dr. Couch and Dr. Menart transitioned from the practice.

We are pleased to announce several physicians will be providing care from the Vandalia office:

- Two physicians from our Woodbury office, Dr. James Seiler and Dr. Mark Schloneger, will also start seeing patients from the Vandalia location in the New Year. Both doctors are seasoned Family Practice physicians and have strong reputations for exceptional patient care.
- New to our practice is Sandra Harewood, MD. Dr. Harewood is an experienced Internal Medicine physician from the Dayton area. We are working to get Dr. Harewood established as a doctor within PriMED in January.

We are also excited the Vandalia care team now has two nurse practitioners. Teresa VanHoose, FNP-BC, has returned to this office on a full-time basis, and Ayana Kleckner, FNP-C, has recently joined us.

You have the option to schedule an appointment with any of these providers. (Dr. Couch will continue his consultative role, focusing on continuity of care, but he is not providing direct patient care.) It will be helpful for you to know:

- Your medical records will remain in our office and will be accessible to the care team.
- If you'd decide to transfer to a **non**-PriMED doctor, please complete a Medical Records Request form and return it to our office. (The form is available on our website and from the office.) It's suggested you contact your health plan to confirm the provider is in your plan's network if you're not staying with a PriMED doctor.
- If you have an appointment scheduled with Dr. Cooper after December 30, please consider this appointment cancelled. Our office will contact you to reschedule.

As we work through this transition, please contact us at 937- 898-3600 if you have questions. Information is also available at [primedphysicians.com](http://primedphysicians.com). Our best wishes for a happy and healthy holiday season.
