

PriMED Patterson Woods Family Practice
1900 Composite Drive
Kettering, OH 45420

March 8, 2021

Dear Patient:

On behalf of PriMED Physicians, we appreciate the trust you've placed in us. We regret to inform you **Meaghan Ebetino, MD, MPH**, will no longer be seeing patients at PriMED Patterson Woods Family Practice after April 16, 2020. Dr. Ebetino has made this decision to leave PriMed for several professional and personal reasons. However, she would like you to know that it has been a great privilege to her to serve as your primary care physician.

Dr. Ebetino has decided to join Centerpoint Health as a Family Medicine physician at both of their Franklin and Middletown offices. The offices are located at 333 Conover Drive Suite B, Franklin, Ohio 45005-1900 and 231 N. Breiel Blvd., Middletown, Ohio 45042. The practice's phone number is 513-318-1188 and fax number is 513-318-1189. If you choose to transfer care to her new practice, please go to centerpointhealth.org to register as a new patient.

Your Continued Care

It is understandable the departure of your primary care physician is unwelcomed news. You can be assured that PriMED is committed to caring for all our patients. The other physicians at Patterson Woods are able to accept a limited number of Dr. Ebetino's former patients.

Another option is to select a physician from one of the other PriMED Family Practice offices who are currently accepting patients:

- Dr. Megan Dorsak, Dr. Megan Kindred and Dr. Michael Witt in Beavercreek
- Dr. Deanna Allgeyer in Centerville
- Dr. Marlon Twyman in Wright Dunbar

For information on all PriMED's physicians and locations, go to primedphysicians.com.

If you have a visit scheduled with Dr. Ebetino after April 16, please contact us to reschedule. If you'd like your medical records transferred, please contact our office. Unless you transfer care, your medical records will remain with PriMED. It's suggested you contact your health plan to confirm the provider is in your plan's network if you're not staying with a PriMED doctor.

As you work through this transition, please don't hesitate to contact the office, at 937-293-8419, if you have questions.

Sincerely,

A handwritten signature in cursive script that reads "Amy Fuller".

Amy Fuller
Director of Practice Operations, PriMED Physicians
