May 13, 2021

Dear Patients:

It has been my honor and pleasure to serve as your physician. It is with mixed emotions that I am announcing my retirement from clinical medicine. My last day in the office will be June 29, 2021. Although I will no longer be seeing patients, I've accepted the position of Chief Medical Officer for PriMED's Adult Medicine Division. In this role, I'm focused on PriMED's continued commitment to quality clinical care.

As you plan your future appointments, please consider transferring to one of my trusted associates.

- Drs. Megan Dorsak, Megan Kindred, and Michael Witt are accepting patients, and we can seamlessly transition your care to the doctor of your choice.
- While Dr Froehlich will be available to assist with your acute care needs, she is unable to add new patients to her panel at this time.

Please visit primedphysicians.com for profiles of all our physicians. I will be happy to discuss this with you as well. I am confident that our PriMED Beaver Creek team will continue to work with you to meet your health care needs.

Your medical records will remain in our office and be accessible to any of the doctors you choose within PriMED. To transfer to a **non**-PriMED doctor, please complete a Medical Records Request form and return to our office. (The form is available on our website and from the office.) It's suggested you contact your health plan to confirm the provider is in your plan's network if you're not staying with a PriMED doctor.

If you have an appointment scheduled with me after June 29, our office will contact you to reschedule. Please contact us at 937-426-0106 if you have questions.

Wishing you all good health and happiness,

A handwritten signature in cursive script that reads "Maureen K. Perez".

Maureen K. Perez, M.D.
