May 24, 2024

Dear Patients and Parents:

Thank you for allowing me to be your pediatrician. My career is taking a new direction, and I will be joining Dayton Children's. Since I'll be caring for patients from a Dayton Children's Urgent Care office, I'm unable to see patients for their ongoing primary care. My last day to see patients at the Centerville office is July 24.

PriMED is focused on continuing pediatric primary care to you and your family. You have several options for selecting a new doctor within PriMED:

- At the Centerville office, **Dr. Elizabeth Shisler Dawson** and **Dr. Stephanie Morrison** are accepting patients. Both physicians are superb. Your family would be fortunate to have them as their pediatrician.
- PriMED has five other pediatric locations, including Springboro, located at the Dayton Children's South Campus. **Dr. Mark Rohaus** is accepting patients at PriMED Springboro.

You can find more information about these physicians at primedphysicians.com.

As we work through this transition, please contact us at 937-291-6850 if you have questions.

It will be helpful for you to know:

- Medical records will remain within PriMED and will be accessible to the care team.
- If you decide to transfer to a **non**-PriMED doctor, please complete a Medical Records Request form and return it to our office. (The form is available on our website and from the office.) We suggest that you contact your health plan to confirm that any clinic you transfer to is in your plan's network if you are not staying with a PriMED doctor.
- Any appointment scheduled with me after July 24 is cancelled. The office will be calling you to discuss rescheduling the appointment.
- If you believe you've received this letter in error, please contact our office.

My best wishes to you and your family. Since I will continue to see PriMED patients until July 24, I'll be happy to discuss this transition with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Divya Thomas".
